6. On March 26, 2010, I received a letter via U.S. mail from Paul A. Dixon objecting to the Settlement. A true and accurate copy of this letter is attached as Exhibit E. A review of the docket indicates that this objection was not received by the Court or e-filed as required for a proper objection to the Settlement. 7. On March 26, 2010, I received a letter via U.S. mail from Curry Taylor objecting to the Settlement. A true and accurate copy of this letter is attached as Exhibit F. 10. On April 12, 2010, I received a document entitled “Notice to Withdrawl [sic] Objections to Proposed Settlement of Class Action” signed by attorney Sam P. Cannata on behalf of his clients Gerald Phillips and Andrew Phillips (“Phillips Objectors”). In that document, the Phillips Objectors request to withdraw their objections to the Settlement filed on March 24, 2010. A true and accurate copy of this objection withdrawal is attached hereto as Exhibit I. A review of the docket indicates that this objection withdrawal was not received by the Court or e-filed.

11. As more fully set forth in my declaration filed in support of Plaintiffs’ Counsel’s application for attorneys’ fees and reimbursement of expenses, I have substantial experience litigating class actions, having been appointed Class Counsel in numerous class actions in state and federal courts throughout the country. In my opinion, the Settlement, which is the result of serious, arms-length negotiation between the parties under the guidance of the Hon. Douglas Wolfson (retired), is fair, reasonable, and provides substantial benefit to the Settlement Class, and in fact, is an excellent result.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct. Executed this 10th day of June, 2010, at Los Angeles, California.
